

# HR4 WINDOW CLEANER

Premium ready to use streak free window and glass cleaner

HR4 WINDOW CLEANER is a ready to use, non abrasive, non-streaking window and glass cleaner which cleans to a crystal clear finish.

## ADVANTAGES

Ready-to-use trigger-spray, no pre-mixing required

Removes nicotine stains, finger marks, grease, traffic film, insects, and dust to restore all glass surfaces to original squeaky-clean, crystal clear finish

Non-abrasive so creates no chalking, dusting or marking

Safe on glass and mirror finishes, plastics, rubber, metals and alloys used in mirror and window construction

Removes the toughest soiling from windows inside and out

Lightly and pleasantly fragranced

## TYPICAL APPLICATIONS

- HR4 Window Cleaner can be used for cleaning any type of glass or mirror finish
- For use in transport and within offices, industry, institutions, leisure, public authorities and retail building maintenance
- Ideal for final cleaning in window glass and double-glazing manufacture

## APPLICATION INSTRUCTIONS

1. Use as supplied through hand sprayer
2. Spray lightly onto the surface and buff clean with a soft, lint free cloth
3. Give a final polish with a dry cloth to produce best results
