

ENZ-ODOURS

Enzymatic odour neutraliser and stain remover

HR6 ENZ-ODOURS utilizes natural enzymes to digest organic material, remove stains and mask unpleasant odours.

ADVANTAGES

Ready-to-use in a handy trigger-spray.

The natural enzymes in HR6 Enz-Odours digest the organic material from fabric, carpets and upholstery that are responsible for creating stale and unpleasant odours.

Highly effective stain remover.

Once applied the enzymes continue to digest waste providing effective long-term odour control.

TYPICAL APPLICATIONS

- May be used to eliminate odours from carpets, upholstery, wooden surfaces in hotels, nursing homes, pubs, restaurants, offices and vehicles.
- Provides effective control of the odour of urine from around toilets and from the misuse of public areas such as stairwells and car parks.
- HR6 Enz-Odours provides train and other public service vehicle operators the means to tackle the source of malodours ingrained into fabric seating and carpets.
- Excellent for masking and controlling odours from waste bins.

APPLICATION INSTRUCTIONS

HR6 Enz-Odours is intended to be used as supplied.

Where present remove excess soiling by pre cleaning the affected area.

Apply HR6 Enz-Odours, to the source of the malodour ensuring thorough and even coverage.

Allow to dry naturally.

NB. Always pre-test a small inconspicuous area for colour fastness and compatibility prior to application.
